01

A NEW MODEL FOR GROWTH

More capacity. Less burden. No upfront cost.

NuRevur helps mission-driven organizations grow immediately and sustainably—without adding staff, buying a complicated technology stack, or carrying the work alone.

We bring strategy, execution, revenue tools, and dedicated support into one connected ecosystem. Every participating organization receives a custom path built around its mission, community, and growth goals.

01

Professional guidance

A dedicated Philanthropy Architect builds the plan and moves the work forward.

02

Funded infrastructure

Advertisers and sponsors fund the core tools —not your operating budget.

03

Practical execution

Campaigns, outreach, coordination, and opportunities live in one system.

“Your team stays focused on the mission. NuRevur builds the systems that help sustain it.”

02

INCLUDED IN THE CORE ECOSYSTEM

Four connected tools. One growth engine.

01

Dedicated Philanthropy Architect

A credentialed fundraising consultant who creates your custom growth plan, coordinates outreach, and helps execute each priority.

- Custom fundraising strategy
- Hands-on coordination
- Ongoing growth support

02

Advertiser-Funded NuBags

A community-facing program designed to create immediate fundraising opportunity, local visibility, and sponsor engagement.

- Zero inventory investment
- Built-in sponsor support
- Fast activation pathway

03

Organization Portal

Your central workspace for communication, milestones, opportunities, resources, campaigns, and direct support.

- Progress visibility
- Centralized communication
- One place for next steps

04

Affiliate Revenue Platform

Mission-aligned offers and supporter communications that can create an additional, repeatable source of earned revenue.

- Offer matching
- Email + SMS support
- Conversion-based income

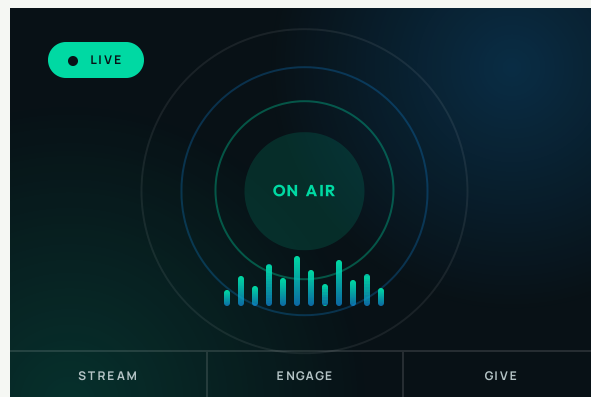

03

PREMIUM ECOSYSTEM COMPONENT

NuRevur Live

The national livestream fundraising platform built for mission-driven organizations.

NuRevur Live is the Collective's real-time fundraising engine — a national livestream platform that helps nonprofits activate supporters, expand reach, and generate revenue through modern, interactive broadcast experiences. It brings community engagement, storytelling, and donor activation together in one seamless system.

01

Real-time fundraising

Engage supporters live and generate immediate revenue.

02

National reach

Expand beyond your local community with built-in broadcast visibility.

03

PA-supported execution

Your Philanthropy Architect helps plan, coordinate, and activate each livestream.

04

Integrated ecosystem

Campaigns, analytics, and supporter engagement flow directly into your organization portal.

EXCLUSIVE ACCESS

NuRevur Live is available to approved members of the NuRevur Collective.

A CLEAR PATH FROM NEED TO ACTION

Your mission sets the direction. We help build the route.

01

APPLY

Tell us where you are.

Share your mission, current capacity, community, and most urgent growth priorities.

02

CONNECT

Meet your architect.

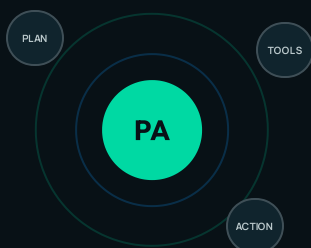

Your dedicated PA translates your goals into a focused, practical growth plan.

03

LAUNCH

Activate the ecosystem.

Begin using the right programs, campaigns, tools, and revenue pathways for your organization.

YOUR DEDICATED GUIDE

The Philanthropy Architect

Your PA is more than an advisor. They connect the people, systems, and opportunities around your mission—then stay involved as the work moves forward.

05

DESIGNED FOR TODAY AND TOMORROW

Activate revenue now. Build stability over time.

NuRevur layers near-term opportunities with repeatable systems so growth is not dependent on a single campaign, grant cycle, or staff member.

ONE CONNECTED SYSTEM

Today's opportunity becomes tomorrow's infrastructure.

06
